Students report to Gulu High School Board Room between 1- 5pm on Sunday January 8th. You can bring registration form (we will also have them if you cannot print this) and payment then, but there is limited space, **so please try to reserve ahead of time by contacting Racheal (+256 782 439 889) or Jacob (+256 706 939 414).**

WHAT TO BRING: Students must bring mattress, bedding & mosquito net, personal hygiene items, washing soap and basin, lockable suitcase or backpack, personal drinking cup, medications, and a flashlight. All meals are included. Drinking water is provided in the classrooms. Phones are allowed but should remain off during class. If you bring a laptop, please register it with the Camp Administrator and never leave it unguarded in the dorm. You can check it with the Camp Admin during mealtimes or overnight for safekeeping. Bring athletic clothes and shoes. Dress code is casual, and should be modest. Bring one nice outfit if you plan to attend prayers.

This is a residential program and students are expected to remain on campus for the duration of the program. If you want to leave for any reason, you must get permission and check out and check in when you return with the Camp Administrator. You will be working with a small team of students for your project and they will depend on your being available to collaborate and be an active participant. The curriculum is hands-on and requires you to be punctual and reliable in your attendance.

Please invite your families to attend the closing ceremony and showcase on Friday from 2-5pm but plan on staying over on Friday night in order to celebrate with your teachers and fellow students.

We look forward to seeing you on Jan 8th!
